VSP WellVision Exam®: A WellVision Exam is more than just a quick eye check. It focuses on your eye health and overall wellness. VSP network doctors get to know you and your eyes. They take the time to look for vision problems and signs of other health conditions too.

Prescription Glasses. Lenses: Glass or plastic, single vision, progressive, lined bifocal or lined trifocal prescription lenses are fully covered. Your dependent children are eligible for fully covered polycarbonate prescription lenses. **Frame:** When visiting a VSP network doctor you'll have a \$200 allowance toward your frame. If you choose a frame over the plan's allowance you will receive a 20 % savings on the amount over your frame allowance. Costco® Optical allowance of \$95 is equivalent to the frame allowance at VSP doctor locations and participating retail chains.

Contact Lenses: Instead of eyeglasses (lenses and frame) elective contact lens materials are covered in full up to \$200 toward any type of prescription contact lenses. Necessary contact lenses are fully covered for those who have specific conditions for which contact lenses provide better visual correction. \$60 is the maximum a provider can charge to fitting and evaluation. *Contact lens frequency is the same as lenses.*

Laser VisionCare Program: We have negotiated special pricing with participating centers, which can add up to hundreds of dollars in savings for VSP members. Contact the centers near you to learn more about their pricing.

Value-Added Discounts:

Glasses and Sunglasses - All popular lens enhancements are covered after a copay, saving members an average of 35% - 40%. You also get 30% savings on additional pairs of prescription glasses and sunglasses (lenses and frame), including lens enhancements, from the same VSP doctor on the same day as your WellVision Exam, or get 20% savings from any VSP doctor within 12 months of your last WellVision Exam.

Contact Lenses - You get 15% savings on your contact lens exam.

Low Vision Benefits and VSP Diabetic EyeCare Program are also included. Please view a Certificate of Benefits for more details.

Lightcare Enhancement: You can use your frame allowance toward non-prescription blue-light filtering or non-prescription sunglasses (instead of prescription eyewear).

What if I select an out-of-network provider? With VSP Open Access you can see any provider. However, you'll get the most out of your benefit when you see a VSP doctor. Plus, your satisfaction is guaranteed. If you see an out-of-network provider you'll typically pay more out-of-pocket. You'll pay the provider in full and have six months to submit a claim to VSP for partial reimbursement less copays. Before seeing an out-of-network provider call VSP Member Services at **800-877-7195**.

For the contributory plans, the employer must contribute a minimum of 50% of the employee premium. 75% of the eligible employees must participate in the plan and 100% must participate if the employer contribution is 100% of the employee premium. Contributory rates can be found at DVIns.com.

Employees

All employees of the employer who are performing active work on a full-time basis (20 hours a week or over) are eligible for benefits, including corporate officers, owners, and/or partners.

Dependents

All eligible dependents must enroll on the original effective date. Dependents can also be added for a later effective date if they are newly eligible or as part of an open enrollment process. Eligible dependents include legal spouse or domestic partner and unmarried children to age 26. The employer is responsible to report any changes to a dependent's eligibility to Wolfpack Insurance Services, Inc. Newborn children do not need to enroll until just before their first appointment, usually before age 4. Domestic Partners are defined as same-sex and opposite-sex couples registered with any government agency authorizing such registrations. Domestic Partners are subject to the same terms and conditions as any other dependent.

Effective date

When a firm joins the Plan the coverage of its current employees will be effective on the first day of the month following approval of the firm's application to participate. Additions to the plan will be effective the first of the month after the elected probationary period from the employee's date of hire.

Billing Questions

Invoices are mailed on or about the 10th of the month prior to the coverage month and are due on the 25th of the month prior to the coverage month. Cancellation of the plan will result if premium is not received by the end of the month shown on the invoice as the 'Invoice for' month. Eligibility will not be reported unless premium for the month is fully paid. Return checks are subject to a \$20.00 fee. A monthly administration fee of \$10.00 is charged to all groups of less than 20 enrolled employees. The administration fee is reduced to \$0 if the group enrolls in automatic payment and emailed receipt of monthly invoices.
